Residence Hall Move-In Checklist

Living on campus has many benefits for new and returning students. Studies have repeatedly shown that retention rates and GPAs increase when students live on campus. Additionally, resources are readily available and in close proximity for academic, emotional and social support. It’s a great way to meet new people and to develop a sense of community, while keeping students close to everything on campus.

Encourage your student to keep the following checklist in mind as they prepare to move-in to CSU Residence Halls:

- Review important dates, videos, 3D floor plans, and more, on the Housing & Dining Services website HOUSING.COLOSTATE.EDU/HOUSING

- Visit HOUSING.COLOSTATE.EDU/MOVEIN for lofting requests, safety information, policies, and decorating guidelines

- Review meal plan and RamCash choices, HOUSING.COLOSTATE.EDU/MEAL-PLANS and HOUSING.COLOSTATE.EDU/RAMCARD

- Contact your roommate to decide who is bringing what (micro fridge, TV, etc.). For more information on renting a micro fridge, HOUSING.COLOSTATE.EDU/MOVEIN

- Create a packing list: residence hall rooms are functional and small – each spring when halls close, students donate more than 18 tons of personal items to local charities, so please pack wisely.

- ‘Like’ the CSU Halls page on Facebook or follow us on Instagram to get connected before move-in and throughout the year

- Get renter’s insurance - inexpensive plans are available or personal items may be covered by parents’/guardians’ homeowners insurance, HOUSING.COLOSTATE.EDU/POLICIES

- Prepare computer or laptop for the CSU network, HOUSING.COLOSTATE.EDU/SERVICES/TECHNOLOGY

- Will you be bringing a bike or car to campus? For information on bicycle registration visit BICYCLE.COLOSTATE.EDU/BIKE-REGISTRATION. New first year and transfer students living on campus do not need to have a car. However for information about parking permits go to PARKING.COLOSTATE.EDU

- Explore involvement, leadership and diversity opportunities at RAMLINK.COLOSTATE.EDU

- Get required immunizations and learn about important health-related information, including meningitis, HEALTH.COLOSTATE.EDU

- Move-In begins at 8 a.m., Thursday, August 22 (for those starting Fall 2019) and Thursday, January 9 (for those starting Spring 2020); early move-in begins several days before and is only considered if it is required by a department or student group

- Know your student’s Campus Mailing Address:
  
  STUDENT’S NAME
  ROOM #, HALL NAME
  FORT COLLINS, CO 80521

CSU Health Network Reminders

CSU Health Network supports student success through care for body and mind. By paying student fees, all CSU students have full access to a wide range of medical, counseling, and health education and prevention services, regardless of their insurance plan.

To keep you and our campus healthy and safe, there are several health-related requirements and recommendations for all incoming students to complete upon enrolling at Colorado State University.

Visit HEALTH.COLOSTATE.EDU/NEW-STUDENT-CHECKLIST for a full description of all health-related requirements and recommendations for new students.

Submit Immunizations Records:
- Fall 2019 deadline: August 26, 2019
- Spring 2020 deadline: January 21, 2020

Colorado law requires all enrolled students to meet the following immunizations requirements:
- 2 doses of the Measles, Mumps, and Rubella (MMR) vaccine
- Meningococcal (ACWY) vaccine given within the last five (5) years (only required if student will be living on campus in student housing)

Immunization records are submitted online through the CSU Student Health Portal.

Complete Health Forms:
- Fall 2019 deadline: August 26, 2019
- Spring 2020 deadline: January 21, 2020

Incoming students should complete the following important health forms:
- Health History
- Tuberculosis (TB) Assessment
- Authorization for Treatment of a Minor (for students under the age of 18)

Fulfill Health Insurance Requirement:
- Fall 2019 deadline: September 11, 2019
- Spring 2020 deadline: February 5, 2020

Colorado State University requires all domestic students taking six (6) or more resident instruction credits and all international students at all credit level to carry health insurance as a way of protecting your education investment.

Students can meet this requirement by choosing to enroll in the University-sponsored Student Health Insurance Plan (SHIP), or by choosing to waive SHIP coverage by providing proof of a comparable individual/employer/family/government health insurance plan.

Go to the secure online health insurance waiver and enrollment portal and enter the required information by the deadline. Students must meet the health insurance requirement during their first semester at CSU and every fall semester thereafter.

Consider RamCare Supplement Program:
- Fall 2019 deadline: September 11, 2019
- Spring 2020 deadline: February 5, 2020

Specifically designed for students who have private health insurance coverage, the RamCare supplement is an inexpensive way to help cover out-of-pocket expenses for medical services provided at CSU Health Network after a student’s primary insurance has been processed.

Create a YOU@CSU profile

Accessing Student Records: Finances and Information

As parents and family members you were likely highly involved throughout your student’s K-12 educational process in tracking pertinent registration records and information around grades, finances, and medical records. We know many of you will have a continued interest in these topics while your student is enrolled at CSU. However, access to this information will likely look different than it has in the past. The following information can help families navigate these changes in access to student records and information.

What does FERPA mean for parents and families?

- The university may not disclose records or information that is directly related to or personally identifies a student without their prior consent. These records include: files, documents, and materials in whatever medium (handwriting, print, tapes, disks, film, microfilm, microfiche) which contain information directly related to students and from which students can be personally (individually) identified.

- Students can allow access to some or all of their educational records to third parties, including parents and family, through the FAMweb online portal. For detailed instructions, please visit: FAMWEB-PROD.IS.COLOSTATE.EDU/AUTHLOGIN

- Allowing students to be the keepers of their own academics records will help them learn personal responsibility and accountability. As they are becoming self-sufficient, you are a partner in supporting your student to gain these skills.

- FERPA is designed to protect the privacy rights of student educational records and to ensure the accuracy of those records.
- FERPA applies to currently enrolled or formerly enrolled students (regardless of age or parental dependency status)
- FERPA applies to all institutions that receive Department of Education funds
We are here to support you.

CSU Health Network supports Ram success through care for body and mind.

Your student fees provide access to a wide range of medical, counseling, and health education and prevention services in one convenient, on-campus location.

FAMweb and RAMweb

Students have the ability to designate trusted individuals to have secure online access to view selected educational records through FAMweb. CSU students have the right and responsibility to choose to provide, update or withdraw FAMweb access, all of which is managed from within their RAMweb account.

FAMweb:
The following types of student information can be viewed in FAMweb by a parent/family/support person only when the student has designated individuals to have access:
• eBilling information (including CSU Payment Plan)
• Financial Aid information
• Grades
• Unofficial transcript
• Class schedule for the semester in session
• Tax information

RAMweb:
Provides students (not parents or families) with tools to manage the following information and much more:
• Registration Process
• Degree Progress
• FAMweb permission settings
• Financial information
• Billing
• Financial Aid
• Tax Information
• Student Records
• Grades
• Transcripts

Parent and Family Programs encourages all families and support networks to work with your student now to set up a FAMweb account. This will save time and stress when deadlines arrive to pay bills or access important tax information.

Steps to set up a FAMweb account:

1. Your CSU student needs to grant access through the “Manage Student Record” section of their RAMweb account
   a. Students will need a name and email address for you that will be used to set up your account
   b. Once access is granted you will receive an email with instructions on how to login to the FAMweb system

2. Once you access the FAMweb page, you will login utilizing a social identity login. For more detailed instructions, visit: FAMWEB-PROD.IS.COLOSTATE.EDU/FAQ
CSU eBilling: Paying Your University Student Account

Students will receive email notifications when monthly billing statements are available on RAMweb
- Students can set up additional email addresses for other interested parties to receive notification and view billing statements online via FAMweb
- Students can create and maintain eBilling addresses on RAMweb

Important eBilling Dates

- **Fall** – University charges are billed in mid-August and are due on September 10th
- **Spring** – University charges are billed in mid-January and are due on February 10th
- **Summer** – University charges are billed in mid-May and are due on June 10th
- Due dates will be the next business day when the 10th falls on a weekend or a holiday.

Additional or updated CSU billing information can be found on the Office Financial Aid (OFA) website at

Get Involved at CSU!

Students who engage actively in their college experience not only perform better academically than their non-involved peers, but are able to build a community within CSU which assists them with their transition to a new environment. As a parent or family member, you can encourage your student to explore their interests and passions by getting involved on campus. Here are a few ways for students to get involved their first semester and beyond.

- **Clubs and Organizations**: If there is an interest, there is a community! With over 500 student clubs and organizations, getting involved can be fun, easy, and a transformational way to make the most of the Ram Experience. 60% of students are involved in a club or organization during their time at CSU. The SLiCE office even provides one-on-one guidance for students to help them connect with the clubs and organizations most fitting for them.

- **Student Employment**: Employment on campus at CSU provides students with the opportunity to gain valuable work experience as well as a practical means to contribute to the costs of their education. Many offices across the university hire students while also providing mentorship, training and development to fit students’ personal and professional goals. The CSU Bookstore, Residence Halls and Rec Center are some of the largest student employers.

- **Student Diversity Programs and Services Offices (SDPS)**: CSU is proud to enhance, appreciate and support diversity and multiculturalism. The SDPS offices seek to support specific populations through programs, resources and events. SDPS offices include: Asian/Pacific American Cultural Center, Black/African American Cultural Center, El Centro, Pride Resource Center, Native American Cultural Center, Student Disability Center and Women and Gender Advocacy Center.

- **Athletic Events**: All athletic events provide free tickets to full-time undergraduate students. Students can enjoy watching their peers compete in soccer, basketball, volleyball, baseball, football, track and field, swimming and diving and many more!

- **Rec Center**: With a climbing wall, pool, hot tub, fitness classes and state of the art equipment the Rec has student fitness needs covered. Sport Clubs and Intramurals also give students another chance to get in the game or try a sport for the first time.

- **Ram Events**: Students can attend the annual Fall Concert and many other diverse and affordable events that both entertain and enrich the Colorado State University experience. From comedians to poetry, music and motivational speakers, make sure your student checks the Ram Events calendar!
• **Residence Life:** Each student living in the residence halls has an opportunity to get involved by attending programs planned by their Resident Assistant (RAs) or by joining the Residence Hall Association to provide leadership and plan events in the residence halls.

• **Fraternity & Sorority Life:** Colorado State University’s Fraternity & Sorority Life community is a great way for students to become a part of the University through a smaller community as well as excel academically, develop leadership skills, participate in philanthropic and athletic events and give back to the surrounding community.
